Sir:

Applicants request that the Office consider the Remarks beginning on page 2 of this
paper.

REMARKS

Applicants submit these remarks to request correction to an apparent typographical error on the Notice of Allowance. Specifically, the Notice of Allowance indicates that the allowed claims are claims 1-11 and 14-27. Applicants submit that the allowed claims include claim 13 and believe claim 13 was inadvertently left off the list of allowed claims.

In the Amendment and Response to Non-Final Office Action, submitted October 21, 2011, claim 13 was amended and remained pending in the Application. Claim 13 depends from an allowed independent claim and Applicants believe that the Office intended to allow claim 13 as well as claims 1-11 and 14-27. Accordingly, correction of the identification of the allowed claims to claims 1-11 and 13-27 is requested.

Should the Examiner have any comments, questions, or suggestions regarding these Remarks, the Examiner is courteously requested to telephone the undersigned at the number listed below.

Applicants believe that all fees necessary for this response have been submitted herewith; however, should an additional fee be deemed necessary, the Commissioner is hereby authorized to charge any fees required by this action or any future action to Deposit Account No. 20-1430. If there are any matters that can be addressed by telephone, the Examiner is urged to contact the undersigned attorney at 404-745-2520.

The Office is also hereby authorized to communicate with the undersigned by electronic mail concerning any subject related to this application.

Respectfully submitted,

/ Jason D. Gardner 58180 /
